

12<sup>th</sup> September, 2019

**Lingnan University Alumni Association (Hong Kong) Primary School**

**Primary 5 Reading Workshops**

Dear P.5 parents,

In order to enhance reading skills and promote a healthy reading habit, we are excited to announce that the Reading Workshop will continue in P.5 in the 1<sup>st</sup> term. Teachers will guide the students in reading various fiction books in class. Students are encouraged to keep their own books for home reading. However, the school will also purchase a certain amount of books to keep in reserve. The 1<sup>st</sup> term books are shown below:

In order to estimate how many books we are required to prepare for each class, please notify us of your preference of whether you want to purchase the book by yourself or borrow a copy from the school. We highly recommend each student to purchase their own copy as this will allow them to keep the book to read and make notes in them as they wish.

( Primary 5 Reading Workshops )

Dear Teachers,

I would like to (please tick an option)  purchase the book by myself.

borrow the book from school and return it at the end of term.
