April

Character Day

Join us for an exciting and inspiring day of Character Building at our LUAAPS 'Character Day'! 🌈🌟🌟

Engage in fun activities, interactive classes, and empowering discussions to nurture essential values and shape the leaders of tomorrow. Don't miss this opportunity to cultivate character and create a brighter future together!

APRIL NEWS

Extra Curricular Activities (ECA)

Our school offers a wide range of extracurricular activities, including elite school teams, interest clubs, multiple intelligence courses, and learning support groups. With over 50 activities inspired by the eight intelligences, students have numerous opportunities to explore and develop their talents outside the classroom.

Growing in Love

You may wonder, what are LUAAPS children like?

The answer is already evident in this picture.

When a classmate cries out of fear of getting a shot, the other P1 students offer timely hugs and care. What a heartwarming moment!

Let's shower each other with love and grow together! ❤️

PTA Family Day Camp

Parents are busy with work during weekdays. There is a perfect chance to create wonderful memories together with our family! May the beautiful moments of the weekend with our loved ones continue. As we learn to cooperate, the relationship between us strengthens and we create a greater experience that we spend together.
