Mid-Autumn Festival

LUAAPS's annual "Mid-Autumn Festival Night" which was led by School Supervisor Dr. Leung Yin-Yat, has successfully concluded. To immerse parents and students in the festive spirit, teachers had made early preparations around the school. Activities included a snowy mooncake workshop, riddle guessing, various booth games, and a lantern design competition. Both teachers and students donned traditional Chinese attire. The playground featured interactive elements like a "Super Moon" that could be touched and a dragon dance experience promoting teamwork. The highlight of the event was Principal Wu performing a classic Chinese song to interact with the parents!

MTR 45th Anniversary Carnival "CHILL FUN Trainival"

To enrich students' learning experiences and help them to recognize the importance of public transportation in the Hong Kong community, P2 and P3 students were invited to the Central waterfront to participate in the "MTR 45th Anniversary Carnival - Chill Fun Trainival" event. During the visit, students had the opportunity to experience what it's like to be an MTR train driver in a simulated driving cabin, gaining a deeper understanding of train operations. The event not only broadened their horizons but also brought joy to the children!
