MY CLOTHING BOOK

We’re learning about clothes! What are the names of clothes? When do we wear them? Where do we wear them? And, who wears them? (Textbook Pgs 4-5 and 16-17)

You will enjoy making this clothing book about the clothes you wear.

You will need:
- A camera
- A computer to print the pictures you take
- Scissors
- Glue
- A pencil
- A rubber

Here’s what to do:
First, you will find clothes that you wear and take photos of these clothes. After you take a photo, print out the picture. Then, cut out the pictures. Finally, glue them to the clouds.
