## AFTER SCHOOL FUN

Do you have ECA or MI classes? These classes are held after school and allow us to do things we might not be able to in the classroom. There are many ECA classes such as STEM and English Ambassadors. There are also art, music and other exciting classes too. Which after school classes do you do?

## TREE OF THANKS

Recently, P3 students decorated a tree with their precious memories. For example, maybe they wrote about playing volleyball with their friends or a family picnic. The tree is made with joy and happiness. What memories would you put onto the tree?

## GIVING THANKS

*by Dorothy Chiu*

This October the school held a Thanksgiving song dedication. All classes were given a piece of paper to thank friends or teachers. It is a good way to tell them that you really appreciate them! I dedicated mine to my friends who I've been with for 6 years! Are you participating? Who will you dedicate it to? Your friends classmates or teachers?

## TYPHOON TROUBLE

*by Phoebe Chan*

On 13th October, Typhoon Kompasu attacked Hong Kong. A T8 typhoon signal was hoisted and schools shut down. It was so strong that it caused injuries and damage everywhere. Many streets flooded, crossing the street was difficult in some areas. Even though I stayed at home I could hear the fierce storms. It was so terrifying. I hope everyone stays safe.

## THE HK SPEECH FESTIVAL

*by Haylie Li*

The speech festival is a great activity we can do at school. We will study some poems and read them out! Have you tried it before? What kind of poems would you read? You can read poems in 3 different languages, English, Cantonese and Mandarin. The competition usually starts in November or December. After reading the poem, students will receive a score. I hope you can get a good result!

## TEACHER TALK - MISS YUEN

*by Marie Liu*

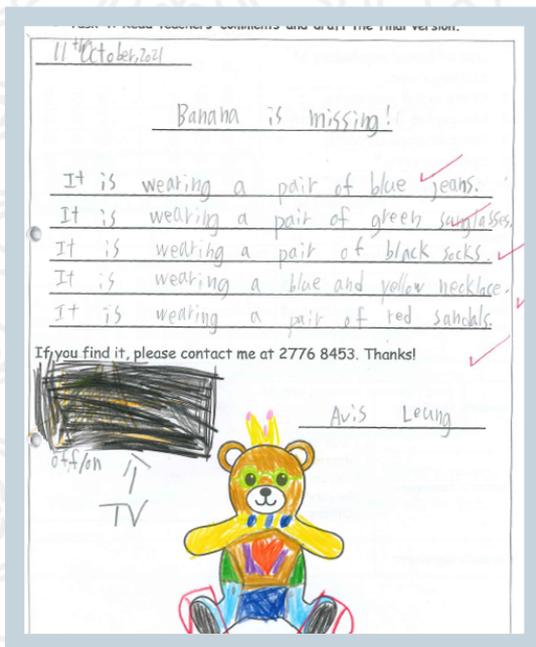

This week I interviewed Ms. Yuen. She told me that her favourite colours are purple, blue and pink! I think those are beautiful colours! She takes her two children to the park in her free time, she's a great mother! Her favourite sport is cycling and she likes Chinese, Art and General Studies. The foods she likes most are sushi and steak, scrumptious!

 Simplylife Cafe ★★★★★ by Ethan Wong

**Background:**  
 Simplylife is an American and European food style restaurant 🍴🍷, it has many branches in Hong Kong and main China. The shop I used to go to is located in Festival Walk in Kowloon Tong. They provide adult and kids menus. The place is clean and has an open kitchen.

**Starters:**  
 For the starters, the choices are Pumpkin Soup 🍲 or San Daniele Ham and Arugula Salad 🥗. I prefer the Pumpkin Soup to the San Daniele Ham and Arugula Salad because this soup is the best I ever have in town 🍷.

**Main Course:**  
 For the main courses, I would recommended the beef burger 🍔, it had one juicy meat, cheese, tomato, lettuce and special sauce 🍷. Rather than that, fish and chips, Mushrooms Mozzarella Cheese Pizza also worth to try, the portions are quite big so shared with my friend last time 🍷.

**Desserts:**  
 There are a lot of desserts 🍰🍩 to choose from Purpin Sweet Potatoe Ginger Cake, Raspberry Truffle Cake, Green Tea Jasmine Crepe Cake, Fig Yogurt Chiffon Cake, Mango Sponge Cake, Blueberry Cheese Tart, Strawberry Cheese Tart. There are just so many choices for you to stay here or to take away!

**Comments:**  
 I would really recommend this restaurant because you can order many kinds of western food, great and relaxing places to chat with friends and family 🍷. I rate with full stars ★★★★★!

 The Outback Steakhouse Park Central

**Background:** The Outback Steakhouse is a restaurant in Park Central. They have a special menu for kids.

**Starters:** For the starter, there are many choices: steak house nachos, crispy fried mushrooms and fries. I preferred the fries to the nachos. It was yummy and the size was very big.

**Main Courses:** For the main course, the Outback Steakhouse has hamburger USDA NY strip sirloin with Aussie Fries, and spaghetti. I preferred the spaghetti to the hamburger. I like the Bolognese spaghetti the most! Because I like meat sauce.

**Desserts:** There are not many dessert in Outback Steakhouse. They do not have Napoleon cake that I like most. I choose brownie with ice cream.

**Comments:** The Outback Steakhouse is good for families. It is not crowded. The price is not very expensive I would recommend this restaurant to my friends.
