BRAND NEW BOARDS

by Kaia Jeffryes

Early in the month on Friday some people came to our school and installed new boards in our classrooms. We can see the screens more clearly than the projectors. I think it's a big improvement from the old blurry screens! What do you think of our new smart board?

P4 RAC - COURAGE & PERSISTENCE

by Vulcan Leung

On 7th October, P4 had a treasure hunt in the hall. There were 10 questions about LUAAPS. Each group had an answer sheet and had to answer all the questions. My group only found 8 questions, it was quite hard! It was an interesting experience for everyone. I hope we can do it again soon!

KEEPING HEALTHY!

by Solomon Lau

On 12th October we did an activity in English. Both 6A and 6B went to the hall and engaged in a talk about obesity in children. We made goals for keeping fit and healthy. It was fun and we learned a lot. We will try to eat more healthily and exercise more!

TEACHER TALK - MS. TAM

by Bethany Lau

Ms. Tam is our music teacher at school. She thinks it's enjoyable to play music. She also thinks it's a good way to express herself. She thinks everyone at school is so nice and sincere, I think so too! She has a master's degree in music education, but she is still learning. She would like to share the music of happiness with her students. How sweet!
