CHRISTMAS TIME!

Christmas time arrived at LUAAPS once again and many festive celebrations were had by all. Students dressed up in Christmas clothes and shared food and presents with their fellow classmates and teachers. What a great Christmas at school! I hope you all had a lot of fun!

HAPPY CNY!

The school celebrated CNY with a variety of different activities and events. There were a number of game booths set up in the playground held by students and parents. I think this event was one of the best the school has done! I even got to help at one of the game booths. Happy CNY!

STEAM FUN DAY

by Solomon Lau

In December it was STEAM day at LUUAPS. P6 went to a secondary school to learn about science. We tried out some VR activities to learn more about diseases. We also learned about cures too. I thought it was quite interesting. P5 also joined us there as well. It was an interesting trip!

EXAM TIME

by Sissia Zhang

In December we had an exam. Everyone at school felt very nervous. We were all talking about the exam! On the first exam day, I saw a lot of students with notes and folders doing some last minute revision. No matter what the result, I think everyone tried their best!

MY CHRISTMAS HOLIDAY

by Haylie Li

I had a great time during the Christmas holidays. We bought a lot of Christmas decorations as well as a wonderful, colourful Christmas tree. We loved it so much! What did you do during the Christmas holidays? Did you have fun activities? I hope you had a merry Christmas and a Happy New Year!

TEACHER TALK - MR. HUNG

by Amy Chan

Mr. Hung is our Maths, P.E. and GS teacher. His favourite subject is PE. He favourite sports are football and basketball. In his free time he will stay at home, sleep or play on his phone. I think Mr. Hung loves Japan, because his favourite food and drinks are all from there. I love Japan too!
