CHARACTER DAY

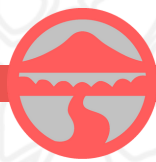

On 22nd March it was Character Day! Everyone at school wore their favourite costumes to school. Some students dressed as superheroes, princesses or anime characters. There was also a photo booth in the hall where we could take pictures with our friends. What did you dress up as on Character Day?

GOODBYE MASKS

After over 3 years of wearing masks the Hong Kong government finally allowed us to take off our masks! Some students removed their masks, but some students kept them on. It's been a long time since we've seen each other's faces, including the teachers!

ENGLISH WEEK RETURNS

by Christiana Obilo

English week returned to school this month. Students from P5 learned all about volcanoes. We even got to make our very own volcano! P1 learned about air resistance and parachutes and P3 made their own boats. Students could have fun whilst learning about STEM. We're all very excited about the next English Week.

MY FAVOURITE ECA CLASS

by Haylie Li

There are many different ECA classes at school, but my favourite is English Drama! The lesson is taught by Mr. D'Aulerio and Mr. Turner. Each year we have a different script. Last year it was The Wizard of Oz, I was a robot cat, it was so much fun! I like this class very much because I can improve my speaking skills and talk to my friends and teachers. I like acting so much!

P6 EXAMS

by Kaia Jeffryes

On 16th March, all P6 students had to take their mid term exams. I was one of those students. Event though it was tough, later we will get to go to Macau for 4 days and 3 nights! We are all quite happy about that. I think we are going to have a lot of fun on our trip.
