FULL DAY RETURNS

In February the school returned to full day learning after nearly 3 years! Some students finish at 3pm, whilst other finish at 4:15pm or 5pm! It is quite tiring so some people want to go to sleep after they get home. I enjoy it though, because it means I can spend more time with my friends.

SPORTS DAY

On the 28th February, the school held its first Sports Day in three years at the Sham Shui Po Sports Ground. There were lots of competitions taking place, like long jump, races, and throwing. They were all very tiring. Everyone felt happy during Sports Day. Even better, we had a holiday afterwards!

LUNCH TIME!

by Matthew Chong

In February, the school announced we can have a full day of school, that also meant we can eat lunch at school! All students were very excited! We have four dishes to choose from, A,B,C & N. What is the 'N' dish? it's vegetarian! I'm glad we can eat lunch at school every Monday to Thursday!

A VISIT FROM K2

by Haylie Li

On 10th February, students from K2 came to our school to take part in some activities. They explored the school and took part in three different subject activities. In English, P1 students read stories with them in the English Room. In music they practised playing the ukulele! In art they made headbands. What a fun visit for kindergarten students.

READING WITH THE PRINCIPAL

by Eason Huang

Every recess Principal Ng goes down to the playground and reads stories to P1, 2 & 3. She enjoys it a lot! She said that telling them stories is very exciting and can help increase their interest in Greek mythology.

TEACHER TALK - MR. LEE

by Christiana Obilo

Mr. Lee is a new Chinese teacher at the school. He also helps to manage the Chinese library. He enjoys Chinese books, especially the Romance of the Three Kingdom books. He also likes to watch superhero movies. His favourite food is noodles and he likes the colour green. In his spare time he reads. We can learn from him as reading can help us learn new words!

Joke of the month: Why is February a frog's favourite month?

Answer: because it has a LEAP YEAR!
