## CAMP TIME!

P 1-5 went to many different places for the school camp. I'm in P5 and we went to a church in Kowloon City. We played many games such as 'Excellent Draw'. We also got to eat hot dogs! During the camp we also drew pictures, which, when combined, made a picture of Jesus. What a wonderful camp!

## P6 GO TO MACAU

Just before Easter P6 had a school camp. It was exciting because we could go to Macau! We stayed there for four days and three nights! I had a lot of fun there. We went to the 360 spinning restaurant. It was my favourite place in Macau. I can't wait to visit again!

## EASTER

*by Christiana Obilo*

This Easter holiday was quite eventful. I went to Ocean Park with my mum and my older sister. We rode on the roller coasters and water rides. They were thrilling. We also went to see the capybaras, they were intriguing! We ate McDonald's too, it was very expensive. I love Ocean Park, it is very memorable.

## PARENTS DAY

*by Kaia Jeffryes*

On Friday it was Parent's Day. Our Mums and Dads came to school to talk to our teachers, I hope that my teachers have nothing bad to say about me! I hope they say great things so that my parents will be happy and not mad.

## PLAYGROUND BANNER

*by Matthew Chong*

In April a new banner was installed above the table tennis tables in the playground. On the banner were different scenes from the bible. The cartoon characters are cute and beautiful! I like it a lot! What do you think of the new playground banner?

## TEACHER TALK - MS TSE

*by Haylie Li*

Ms Tse is a Chinese and Visual Arts teacher. She is also my class teacher! Her favourite food is chocolate, the same as me! She likes to walk her dog and often goes swimming. She loves jazz music and often listens to it. Her dog is the same age as me and easy to take care of. She always goes to Taiwan during school holidays. She also loves coffee!

Joke of the month: Why shouldn't you tell an Easter egg a joke?

Answer: because it might crack up!
