## 5 Blue Burgers

P5 Presents "5 Blue Burger" - P5 English Fun Activity

Our 5B class English teacher Mr Kenta designed this fun activity. His fabulous teaching and video editing bring us this funny video.

We are so impressed with the wonderful presentation by this lovely bunch of kids and we can't stop laughing whenever we watch it.

Wanna find out the exact location of Blue Restaurant? Come to our school and ask these marvellous restaurant managers.

# OCTOBER NEWS

LUAAPS / English Room 201 / An English Ambassador Production / October Edition

## Panda Shop

Panda Shop is held by LUAAPS English Group. Our group members - English teachers give students panda dollars with a cute panda head portrait on them. This aims at encouraging students to become more active and willing to answer questions and think critically in English lessons.

Students consider their panda dollars as the wealth of knowledge they have gained and accumulated. They are so excited and cannot wait for a moment to step into the English Room to exchange some of the lovely stationeries.

## Morning Assembly - English Drama

In the Morning Assembly, students from 3A give out a wonderful performance in the way of English Drama. The Library Lion teaches us although we need to obey some strict rules, we can still deal with things in a flexible manner.

## Inno Gala

Guided and led by our STEM teachers, the school STEM team has won the Bronze Prize in the DSS Inno Gala. As bilingual speakers, these team members introduced their hand-made robots to each of our visitors, including foreign teachers from other schools.
