

LUAAPS SEPTEMBER

NEWSLETTER

Hello, Lingnanians! We're thrilled to bring you the first issue of our CampusTV Newsletter, where our English Ambassadors share the most exciting happenings from around our school each month. Be sure to follow us on Instagram and YouTube for exclusive updates, fun digital content, and behind-the-scenes moments!

This month, we'll take you back to the joy and excitement of our Primary 1 Inductions, when creativity and community effort come together through mural painting, and to the moment when our school displayed its charitable spirit.

Meanwhile, adventure and discovery have been key highlights, with an inspiring trip to the Hong Kong Museum of Medical Sciences and action-packed Adventure Days that encouraged teamwork, courage and perseverance. We also welcomed special visitors from one of our sister schools, and we've been fascinated and entranced by magic tricks and mesmerising kung fu skills!

Let's make 2025/2026 a year filled with learning, creativity, and fun. Here's to a prosperous, inspiring, and joyful school year ahead!

A SPLASH OF COLOUR!

Our school community came together in a joyful burst of creativity as parents and students teamed up to paint a vibrant new mural on our annex. With brushes in hand, they transformed the wall into a colourful masterpiece, perfectly matching the joyful spirit of our campus.

This project was a true celebration of teamwork and creativity, with families bonding over art and leaving their mark on something that will brighten our school for years to come. Thank you to everyone who made it happen—you've added a beautiful splash of colour to our community!

OUR NEW ARRIVALS

The school year kicked off with excitement as our brave and eager Primary 1 students arrived early to meet their new classmates and teachers, and explore their new school environment. From the start, they embraced their roles with enthusiasm, showcasing creativity, knowledge, and excellent communication skills during their first activities. While the students settled in, parents participated in sessions to learn how to support their children in this big transition. Together, families and teachers laid the foundation for a year of growth and success.

The inductions were filled with smiles, curiosity, and a sense of belonging—an inspiring start for our newest Lingnanians as they embark on their learning journey!

THE ADVENTURE CONTINUES

On the 17th and 18th of September, our brave students tackled adrenaline-pumping challenges like abseiling, zip-lining, and tightrope walking. Through teamwork, trust, and support, they faced their fears and achieved amazing accomplishments—cheering each other on every step of the way. Laughter and words of encouragement echoed throughout the activities, reminding us that the greatest strength comes not from individual effort alone, but from the confidence we place in one another.

Even some of our teachers joined in, showing their adventurous spirit and inspiring everyone to push their limits. Their willingness to step outside their comfort zones sparked even more enthusiasm and created a wonderful sense of unity. Adventure Days were not just about climbing higher or moving faster, but about building stronger connections, learning to rely on friends, and celebrating every success—big or small—together.

It was a true celebration of courage, resilience, and teamwork, leaving everyone with lasting memories and a renewed sense of what can be achieved when we all pull in the same direction. Hats off to all who took part!

And speaking of hats...

= SUMMER =

HAT'S THE SPIRIT

On September 12, our school proudly participated in Hats On Day to support the Children's Cancer Foundation. Students, teachers, and staff came together in a heartwarming display of solidarity, donning their favorite hats to raise awareness and show support for young cancer patients and their families.

The sight of our community wearing all kinds of hats—colorful, quirky, and creative—was a powerful reminder of the compassion we can share. This meaningful gesture embodied the message: “Hats We Wear, Care We Share!” spreading love and comfort to those battling life-threatening illnesses.

A huge thank you to everyone who joined this important cause. Together, we've shown the strength of our community in bringing hope and joy to those who need it most!
