

# Campus TV Newsletter: Lunar New Year Edition 2026

**Year of the Horse**

Happy Year of the Horse! February may have been short, but our students showcased incredible dedication both in and out of the classroom. They excelled in various sports, winning prizes in triathlons, martial arts, and athletics, and shone in STEAM activities like the Paper Bridge and Robotics Competitions.

They also participated in drama, art, and calligraphy contests. We enjoyed cultural outings and inspiring visits from guest speakers promoting harmony within our diverse Hong Kong community. Kicking off the 2nd semester with Joseph's teachings set a positive tone for the year ahead.

A special shoutout to our wonderful Chinese Department and PTA for organising the vibrant Chinese Culture Day! The event was filled with fun activities and delicious treats that celebrated the spirit of the New Year. For more photos and videos, don't forget to follow our school Facebook page and the CampusTV YouTube channel. Here's to a prosperous year ahead!

# Fitness Fun

Our track team has been working hard this semester, participating in the Joint School Athletics Training Program and excelling at the Chapter Challenge Day! Their dedication led to numerous awards, including top finishes in long jump and sprint events.

Additionally, congratulations to Yueqing for earning the runner-up award from the Triathlon Association of Hong Kong! Your dedication is inspiring.

Congratulations to Team A and Team B for their outstanding performances at the 2nd Hong Kong Academic Martial Arts Competition! They brought home both gold and silver trophies in the Primary School Group C collective traditional equipment category.

In addition, our Girls' Primary School A team earned the Bronze Award for Traditional Equipment, while the Girls' Primary C Division won the Excellence Award for South Quan. Kudos to our dedicated teachers and students for their hard work in promoting Chinese martial arts!

On February 11th, Primary 5 students journeyed to Kai Tak Sports Park via MTR, learning about public transport etiquette while embodying the values of quietness and courtesy.

At the Kai Tak Pavilion, they explored the park's transformation from an airport to a modern sports venue. Interactive exhibits enriched their understanding of Hong Kong's sports history and design, inspiring them for upcoming writing projects!

Our students shone at King's Park Sportsground during the REAL English Rugby Program!

They learned teamwork and passing from a professional coach while enjoying fun English lessons.

# Full STEAM Ahead!

February was a thrilling month for our students as they embraced STEAM—Science, Technology, Engineering, Arts, and Math!

We started with the 25th Environmental Creative Model Design Competition, where Primary 4 to 6 students crafted paper bridges from recycled materials, showcasing their creativity and teamwork.

Our robotics teams excelled at the 2026 VEX IQ Robotics Competition, finishing sixth out of 100 teams!

The English Drama Team impressed in the Battle of the Bards semi-finals, and Hayley from 1A won the Golden Spark Award at the RENMEI Cup. 6B's Cheung Tze Yau Chrystal and 5A's Ng Pak Long Jasper received the Most Commended Student award from Sing Tao News Group and helped set a record for the most people writing "blessed" characters simultaneously.

Finally, students enjoyed the "Doraemon X Demonblade" fantasy symphony concert, enriching their artistic experience.

February was packed with creativity and achievements—let's keep it going!
