

LUAAPS June

NEWSLETTER

This month has been filled with meaningful moments that reflect the heart of our school community—learning, teamwork, and caring for one another. Students enjoyed a variety of reward programs designed to encourage positive habits, good behaviour, and a diligent mindset, while learning about saving and making thoughtful choices.

As our Primary 6 learners prepare for graduation, our students took part in heartfelt celebrations to cherish their time together as a grade. Team building and community spirit were in abundance, creating memories and strengthening friendships along the way. We were also delighted by a surprise visit from an old familiar face, which brought smiles and warm reunions as students welcomed the guest with appreciation.

Sport and inspiration were also part of the excitement, with students coming together during the FIFA World Cup season in a sea of colour and passion. Our students demonstrated their strengths in many areas, representing the school through both learning activities and hands-on experiences, making the LUAAPS family so proud!

Panda Playfulness

During June, our students visited the always popular Panda Shop, where they spent their hard-earned Panda Dollars on fun goodies and exciting items! The Panda Shop not only brings excitement, but our learners find it so rewarding to be able to earn the awesome prizes on offer. Whether it was useful items they can use or just some super fun toys, every purchase helped them feel proud of their effort and encouraged good habits like responsibility and teamwork. A huge thank-you goes to our Panda Shop Helpers and everyone who helped make Panda Shop run smoothly and created such a joyful experience for our learners.

Superkid Spotlight

Superkids all month long! Students earned Superkid Stamps for showing great effort, kindness, and positive classroom behaviour. Our students' pride themselves on earning their Superkid Stamps and when they finally have enough, they get the wonderful opportunity to exchange their stamps for a special lunch with their favourite teachers. During this time, it creates a warm and happy experience for everyone involved. Both our students and teachers always enjoy the special time together. Superkids helps our students feel valued and recognised, while teachers get to see their students shine. Most importantly, it strengthens sincere bonds, trust, and friendship across our school community.

P6 Positivity

Our Primary 6 students move closer to graduation and spreading their wings, leaving the safety of LUAAPS and venturing to their respective secondary schools. An exciting, yet bittersweet time as we prepare to say goodbye to our brave students. In keeping the positive spirit up before they depart, they enjoyed two special events that brought both joy and heartfelt reflection. First, they celebrated their Graduation Lunch—an amazing, fun-filled time for learners to bond and reminisce about the past six years together. Laughter, warm conversations, and sincere moments of appreciation along with their parents and teachers made the occasion truly memorable. They also stayed over at school for an unforgettable Primary 6 Camp. Under the guidance of staff, they took part in exciting team-building activities designed to encourage teamwork, confidence, and deeper friendship. More than just a night of fun, the camp also gave students time to connect, reflect, and continue building the strong bonds they've developed throughout their journey. They supported one another, shared stories, and created even more memories together. As they prepare for the exciting road ahead, we slowly count down the days before they begin their next exciting chapter in life!

Navigating Nature

This month, we would like to celebrate one of our students, Wong Tsz Yui Theo from 4A who shows great dedication in class every day. He is hardworking, diligent, and always ready to learn. Little do people know that his determination and courage do not stop at the classroom door! Outdoors, he is just as diligent and brave in nature. He attends many outdoor nature camps, joins groups for survival training, and practices being resourceful while camping. From learning new skills to exploring responsibly, he brings the same focus and teamwork spirit wherever he goes. We are proud of his confidence, effort, and adventurous heart! Always keep that passion for adventure alive and never lose your courage Theo!

Expo Experience

A group of our intelligent and confident students represented our school at the 2026 Hong Kong Learning and Teaching Expo. Many of Hong Kong's top schools were also there, making our participation a great privilege and honour. Our students proudly showcased their STREAM knowledge with a high-tech robot and demonstrated its functions and abilities to staff and the public, showing what they've been learning and doing at school. Being at the Expo was an amazing platform for our school and our learners. It was an awesome opportunity for our students to share their ideas, learn from others, and feel inspired by their peers. They also had the chance to see the latest advancements in learning and teaching, bringing fresh excitement back to our classrooms!

Turner Returns

We were delighted and extremely surprised to welcome back our old NET English teacher, Mr Turner for a short but sweet visit! Mr Turner taught at our school a few years ago, and he was truly cherished and beloved by all his students. What made this visit extra special was that many of his former students had not seen him for three years. Students he taught in Primary 1-3 and are now in Primary 4, 5 and 6 and it was such a treat for both him and our students to reconnect and share pleasantries once again! It was a heart-warming reunion filled with smiles, stories, and sincere appreciation. We are so grateful Mr Turner could visit and share this great treat with our students.

FIFA Fanatics

FIFA Fever is in the air all around the world, and even at LUAAPS. The students enjoyed a special school treat by watching a FIFA World Cup match together! The excitement was clear from the moment everyone arrived—students were thrilled to sit with their friends, cheer together, and soak in the match-day atmosphere in our school hall. The time spent watching as a group was truly enjoyed by everyone, creating a wonderful sense of team spirit and belonging. Students also showed their support by wearing their favourite football team's shirts. It was a sea of colours and passion, with lots of cheering and applauding throughout the match. What a fantastic way to celebrate sport and community spirit!
